PRIZES

1st Place: \$300

2nd Place: \$200

3rd Place: \$100

ACTIVITIES: Each participant will complete all.

1. AXE THROWING

Each participant will have 3 axes to throw at the target. The goal is to hit the target with all 3 axes as quickly as possible. *If you hit a bullseye, 10 seconds per bullseye, will be taken off of your total time.*

2. TRACTOR TIRE MOVE

Participants will race to move a tractor tire across the designated finish line. The shortest time will receive top score.

3. RELAY RACE

The timed relay race will consist of 4 components:

a) Wheel Barrow Load

Load 3 bags of fertilizer into the wheel barrow, then push the wheel barrow to the Cow Milking station.

b) Cow Milking

Milk the cow (this will not be a real cow, but a simulation) until the bucket is full and then carry the bucket to the Tractor Scoop. *If you lose any milk along the way, you will receive a 10 second penalty.*

c) Tractor Scoop

You must use a tractor to scoop up the (rubber) chickens and place them all in the bucket.

d) Partner Carry

Grab your partner and carry them to the finish line! Don't worry, if you don't have one we'll find you a substitute 😊

4. BOBBIN' FOR APPLES

Each participant will have a bucket filled with water and 10 apples in it. The goal is to get the most apples out of the bucket as quickly as possible.

If for some reason you are unable to complete one of the games or competitions noted above, you must take a 30 second penalty.
