Key Terms

You and Your Dependents

Throughout this booklet several key terms are used to refer to you and your Dependents:

- the terms that may refer to you are: Employee, Member and Participant;
- the terms that may refer to your Dependents are: Dependent, Spouse, Child and Participant.

Employee: A person who:

- resides in Canada; and
- works a minimum of 20 hours per week for the employer.

The term Employee, used in this booklet, also refers to a person who is a resident of Canada and retired from employment with Dairy Farmers of Nova Scotia.

Member: An Employee who is eligible and approved for coverage under this plan.

Dependent: Your Spouse or Child.

Spouse: The person who:

- is a resident of Canada; and
- meets one of the following criteria:
 - is married to the Member; or
 - has been living with the Member in a conjugal relationship for at least 1 year; however, where required by provincial legislation, this 1 year period is waived if a child is born of such relationship.

The Spouse must be designated by the Member on their application for coverage. Only one person may be covered as a Spouse at any one time.

Child: A person who:

- is a resident of Canada;
- is the natural or adopted child of the Member or Spouse, or the child over whom the Member or Spouse has been appointed as guardian with parental authority;
- is financially reliant on the Member or Spouse for care, maintenance and support;
- is not married or in a common law relationship; and
- meets one of the following criteria:
 - a) is under age 21;
 - b) is under age 26 and is attending an accredited educational institution, college or university on a full-time basis; or
 - c) became mentally or physically disabled while a child as defined in (a) or (b) and has been continuously disabled since that time.

A child is considered to be mentally or physically disabled for the purposes of this definition if they are incapable of engaging in any substantially gainful activity and are financially reliant on the Member or Spouse for care, maintenance and support due to this disability. Blue Cross may require the provision of written proof of a child's disability as often as is reasonably necessary.

Participant: The Member or one of the Member's Dependents who has been approved for coverage under this plan.

Helpful Tip

You are responsible for enrolling your Dependents under the plan when they become eligible.

In addition, you are responsible for removing them when they no longer meet the definitions outlined here.

You can update your family or Dependent status by filling out and submitting a change form, available through our website.

Helpful Tip

A Member, Spouse and Child are all Participants under the plan.

Other Important Terms

Accident: A sudden, fortuitous and unforeseeable event that:

- is violent in nature;
- arises solely from external means;
- causes bodily injury to the Participant directly and independently of all other causes; and
- is unintended by the Participant.

The resulting injury to the Participant must be certified by a physician.

Actively at Work: Employees are Actively at Work on a specified day if they report for work at their usual place of employment and are able to perform the Regular Duties of their occupation, according to their regular work schedules.

Employees who are not required to report for work on a specified day due to holidays, shift variances, vacations or weekends are still considered to be Actively at Work if they could have reported for work and performed the Regular Duties of their occupation on that day.

Helpful Tip

One of the eligibility requirements for coverage is that you be Actively at Work.

Activities of Daily Living: The following 6 activities:

- Bathing: washing oneself in a bathtub, shower or by sponge bath;
- Dressing: putting on and removing necessary clothing, braces, artificial limbs or other surgical appliances;
- Toileting: getting on and off the toilet and maintaining personal hygiene;

Approved Provider: A provider of health care services or supplies who has been approved by Blue Cross to provide specific Eligible Expenses.

The Deductible amount applies once per calendar year or per prescription drug, as specified in the Summary of Benefits. However, Eligible Expenses incurred during the last 3 months of a calendar year that totally or partially met the Deductible for that year may be used to reduce the Deductible for the following calendar year.

Eligible Expenses: Charges incurred by the Participant for health care services and supplies that are:

- Medically Necessary;
- Usual, Customary and Reasonable;
- recommended or prescribed by a Physician or Health Practitioner who:
 - does not normally reside in the Participant's home;

- rendered or dispensed after the effective date and while the plan is in effect, unless otherwise specified.

Helpful Tip

Important: Blue Cross will only reimburse health expenses meeting these Eligible Expenses criteria.

Key Terms

Health care services and supplies that Participants prescribe, render or dispense to themselves are not Eligible Expenses.

An Eligible Expense is considered to be incurred on the date the service or supply was received by the Participant. Reimbursement for Eligible Expenses incurred outside of Canada will be limited to the amount that would have been reimbursed if the expense had been incurred in the Participant's province of residence, unless the benefit is restricted to in Canada only.

Where more than one form or an alternative form of Treatment exists, Blue Cross has the right to base its payment for Eligible Expenses on the lowest cost alternative if Blue Cross, in consultation with its health care consultants, deems the alternative Treatment to be appropriate and consistent with good health management.

Health Practitioner: A health care practitioner who is a registered member of their regulatory body (if applicable) and practices within the limits of their authority as established by law. If no occupational guild applies to a particular practitioner, the practitioner must:

- be a registered member of their association;
- provide care and treatment within the limits of their professional scope of practice; and
- be an Approved Provider.

Illness: A deterioration of health or a bodily disorder that has been diagnosed by a Physician and requires regular and continuous care.

Insured Benefits: Benefits underwritten and administered by Medavie Inc. or Blue Cross Life Insurance Company of Canada, one or the other of which assumes all liability for their payment.

In this plan, member life, dependent life, optional life, member accidental death and dismemberment, optional accidental death and dismemberment, optional critical illness and travel benefits are Insured Benefits.

Life Event: A situation resulting from one of the following that permits a Member to change their coverage:

- marriage or common law union;
- birth or adoption of a child;
- divorce or legal separation;
- the Member's or Dependent's other coverage terminates for reasons outside of their control; or
- death of a Dependent.

Proof of health is required if the request is received more than 31 days after the Life Event date.

Medically Necessary: A health care service or supply provided or prescribed by a Physician or Health Practitioner to treat an injury or Illness that, in the opinion of Blue Cross after consultation with its health care consultants:

- has not been provided or prescribed primarily for convenience or cosmetic reasons;
- is the most appropriate, safe and cost effective Treatment for the diagnosed injury or Illness; and
- is generally medically recognized as acceptable Treatment for the diagnosed injury or Illness.

Helpful Tip

Family member refers to a Participant's:

- spouse or common law partner;
- parent and parent's spouse or common law partner;
- children and spouse's or common law partner's children;
- brothers and sisters;
- grandchildren; or
- grandparents.

Helpful Tip

Blue Cross will only pay for Eligible Expenses that are Medically Necessary.

Salary: A Member's regular earnings paid by the Employer, including overtime and any additional remuneration or incentives that are received by the Member on a regular basis. It does not include dividends or any irregular gains, such as bonuses and gratuities.

For commission-based Members or Members whose pay is earned in whole or in part on a similar basis, Salary is the Member's average earnings over the last year of employment as indicated on their Canada Revenue Agency (CRA) taxation form. If less than a year's earnings are available, Salary will be prorated. For Members paid on an hourly basis, Salary will be based on their regular number of hours worked per week.

In determining benefits, Salary will be the lesser of:

- the Salary amount defined above; or
- the Salary last reported to Blue Cross and used in the calculation of the premium payable.

Self-Insured Benefits: Benefits that are:

- fully funded by the plan sponsor who assumes sole liability for their payment; and
- administered by Medavie Inc. under an administrative services only contract with the plan sponsor.

In this plan, drug, extended health and dental benefits are Self-Insured Benefits.

Treatment: The management and care of a Participant to improve or cure an illness, disorder or injury. This management and care must be:

- considered appropriate and approved by Blue Cross; and
- prescribed, provided or performed by a Health Practitioner or Physician practicing in the field of medicine applicable to the Participant's disease, disorder or injury.

Usual, Customary and Reasonable: Charges incurred by the Participant that are:

- consistent with the amount typically charged by Health Practitioners or Approved Providers for similar services or supplies in the province in which the services or supplies are being purchased; and
- in the opinion of Blue Cross in consultation with its health care consultants, consistent with the frequency and quantity that would usually be prescribed or needed for the Participant's condition.

Helpful Tip

If specified in the Summary of Benefits, your Salary may be used in calculating your life, accidental death and dismemberment or disability benefits. (if applicable)

Coverage Details

Who is Eligible for Coverage?

Active Employees: You are eligible for coverage if you:

- meet the definition of Employee and are Actively at Work; and
- have completed the **2-month** waiting period.

Your Dependents are also eligible for coverage if they meet the definition of Spouse or Child outlined above in the *Key Terms*.

To be eligible for coverage, you and your Dependents must be entitled to government health care coverage or similar coverage deemed satisfactory by Blue Cross.

You must continue to work the minimum number of hours per week to maintain eligibility under the plan.

Retired Employees: You are eligible for coverage if you meet the definition of Employee outlined above in the *Key Terms*.

Your Dependents are also eligible for coverage if they meet the definition of Spouse or Child outlined above in the *Key Terms*.

To be eligible for coverage, you and your Dependents must be entitled to government health care coverage or similar coverage deemed satisfactory by Blue Cross.

Coverage is effective on the date of retirement.

Do I Need to Supply Proof of Health to Obtain Coverage?

You generally do not need to provide proof of health to obtain group benefits coverage. However, proof of health must be submitted in the following circumstances:

- if the coverage for yourself or your Dependents exceeds the non-evidence limit specified in the Summary of Benefits; or
- if your application is received by Blue Cross more than 31 days after the date upon which you or your Dependent became eligible for coverage, with the following exceptions:
 - late applicants for dental benefits (if applicable) do not need to submit proof of health (instead their maximum benefit is limited to \$250 for the first consecutive 12 months of coverage); and
 - Quebec Participants who are late in applying for drug benefits do not need to submit proof of health for drug coverage.

How do I Enrol for Coverage?

Application Form

To obtain coverage, you must complete and submit the application form provided to you by your employer and submit proof of health, if required for one of the reasons listed above.

The completed application form must be received by Blue Cross within 31 days of the date you or your Dependent become eligible for coverage.

Helpful Tip

Waiting Period refers to the continuous period of time during which you must be Actively at Work before being eligible for coverage.

Helpful Tip

Proof of health refers to statements or medical evidence about your health or the health of your Dependents.

Non-evidence limit refers to the amount of coverage for which you or your Dependents are eligible, without having to submit satisfactory proof of health.

The non-evidence limits for each benefit (if any) are specified in the Summary of Benefits.

Helpful Tip

If you do not enrol for coverage within 31 days of eligibility, you may be restricted when applying for benefits and your benefit levels may be reduced.

Can I Opt Out of Coverage for Certain Benefits?

You are not allowed to individually select the benefits you want under the plan. In addition, when you enrol for coverage you must also enrol all of your eligible Dependents, subject to the exceptions noted below:

- it is your choice whether or not to obtain coverage for optional benefits; and
- you are allowed to waive the health benefits coverage for yourself or your Dependents if you or your Dependents already have similar coverage under another group policy. In this case, you or your Dependents will again be eligible for health benefits if you experience a Life Event, subject to proof of health if required.

Helpful Tip

Health benefits may include: drug benefits, extended health care, dental benefits and travel benefits.

When Does My Coverage Begin?

Active Employees

Your coverage takes effect on the latest of the following dates:

- the effective date of the plan;
- the date you meet all of the eligibility requirements; or
- the date Blue Cross approves your proof of health, if required.

If you are not Actively at Work on the date you would have become eligible for coverage, your coverage begins on the date you resume being Actively at Work.

Retired Employees

Your coverage takes effect on the latest of the following dates:

- the effective date of the plan;
- the date of your retirement; or
- the date Blue Cross approves your proof of health, if required.

Dependents

Your Dependent's coverage takes effect on the latest of the following dates:

- the date you become eligible for coverage;
- the date they meet all of the eligibility requirements;
- the date Blue Cross approves their proof of health, if required; or
- the date following their discharge from hospital if they were hospitalized on the date they would have become eligible for coverage, unless:
 - they were covered under a Previous Policy, in which case their coverage begins on the effective date of the plan; or
 - they were born while this coverage is in force, in which case their coverage will be effective from their live birth, or for dependent life coverage, as specified in the dependent life Summary of Benefits (if applicable).

Helpful Tip

Previous Policy refers to a group plan that provided coverage for you and your Dependents, and terminated within 31 days of the effective date of this group plan.

What Happens to my Coverage During Periods of Absence from Work? (Not Applicable to Classes B, C or D)

Illness/Accident

If you are absent from work due to illness or accident, your group benefits coverage is retained. In such circumstances, please contact your group benefits administrator to discuss the maximum period for which your coverage will be retained.

Maternity Leave/Parental Leave

During a maternity or parental leave of absence, you have the choice to either retain or discontinue all coverage for the maximum period provided under the applicable legislation.

Your decision to retain or discontinue coverage must be made before the beginning of your leave of absence and this decision cannot be changed at a later date. If you decide to retain coverage, you must continue to pay your premium contributions (if any) for the whole duration of the absence.

If you are a Quebec Participant, you must at least retain drug coverage unless you benefit from drug coverage under another group plan.

Temporary Layoff/Authorized Leave of Absence/Disciplinary Suspension/Strike or Lockout

In such circumstances, please contact your group benefits administrator to discuss the benefits you must retain during such an absence and the maximum period these benefits will be retained.

When Does My Coverage End?

Coverage ends on the earliest of the date:

- the plan terminates;
- you or your Dependents no longer meet one or more of the eligibility requirements;
- your employment is terminated (not applicable to Classes B, C or D);
- you (or your Spouse, if applicable) reaches the termination age or termination date, if any, specified in the Summary of Benefits;
- you retire, unless otherwise specified in the Summary of Benefits (not applicable to Classes B, C or D);
- you die;
- you or your Dependents commit a fraudulent act against Blue Cross or the plan sponsor; or
- the plan sponsor defaults in payment of premiums.

Coverage for your Dependents will also terminate on the date your coverage terminates.

If premiums for optional life, optional accidental death and dismemberment or optional critical illness benefits are not paid within 31 days of their due date, the benefit will be terminated without further notice from the date premiums were due.

No coverage will be provided to you or your Dependents while performing duties as an active member in the armed forces of any country, unless coverage must be retained under applicable provincial legislation.

What Happens When Coverage Ends?

Right to Convert to Individual Coverage

Upon termination of coverage for certain benefits, you and your Dependents have the right to convert your group benefits coverage to an individual insurance policy, provided certain criteria are met.

The benefit details will specify if this conversion right applies to a particular benefit.

When conversion is available, the following terms and conditions apply:

- You must, within 31 days of the date of termination of your group coverage:
 - submit the application form provided by Blue Cross for the purpose of conversion to individual coverage; and
 - pay the entire amount of the first month's premium of the individual policy, in accordance with the method of payment stipulated by Blue Cross;

Helpful Tip

The benefit of converting your group coverage is that you do so without having to provide proof of health.

Conversion premium rates will typically be higher than group premium rates currently paid.

Instead of converting your group coverage, you may prefer to apply for an individual plan, which will require Proof of Health.

Coverage Details

- the individual policy will be issued without requiring proof of health;
- the premium for the individual policy is based upon the individual policy rates in effect on the date of application and the age and sex of the Participant on that date;
- the individual policy is subject to any maximum and minimum values or other additional terms and conditions that are specified in the *Right to Convert to Individual Coverage* provision of the applicable benefit.

Survivor Coverage

In the event of your death, coverage for your Dependents will continue for certain benefits, if specified in the Summary of Benefits.

Survivor Coverage for your Dependents will terminate on the earliest of the following dates:

- the group plan termination date;
- the date the maximum Survivor Coverage period has been reached, as specified in the Summary of Benefits;
- the date your Dependents obtains similar coverage under another plan; or
- the date your Dependents are no longer considered to be eligible Dependents (for reasons other than your death).

What if I Have Coverage Elsewhere?

With the exception of the travel benefits provided under the travel benefit section of this booklet, Blue Cross will co-ordinate your group benefits coverage with other health plans when similar coverage is available. The co-ordination of benefits process helps ensure you get the most out of your coverage. It means you can receive up to, but no more than, 100% reimbursement for Eligible Expenses.

Government Health Care Coverage

Blue Cross will not pay for any health care services or supplies available under government health care coverage, or administered by government funded hospitals, agencies or providers. Blue Cross will only consider Eligible Expenses in excess of those provided under government health care coverage.

Other Health Plans

Do you take advantage of coverage under the other benefit plans available to you, such as your Spouse's? If not, you may be missing out on possible reimbursement of up to 100% of Eligible Expenses.

Blue Cross applies co-ordination of benefits according to the guidelines of the Canadian Life and Health Insurance Association Inc. (CLHIA). Here are the general rules:

Expenses for Yourself:

- You must first submit expenses incurred to this plan (where you are covered as a Member). The balance that has not been paid by this plan (if any) can then be submitted to the other plan where you are covered as a dependent (for example your Spouse's plan).
- If you are covered as a member under more than one group benefit plan, the plan that has covered you the longest pays first.

Helpful Tip

Blue Cross will help direct you to existing **government programs** whenever possible.

Helpful Tip

The types of other plans that are potentially subject to co-ordination of benefits include any form of group, individual, family, creditor or saving insurance coverage that provides reimbursement for medical treatment, services or supplies.

Expenses for Your Spouse:

- Your Spouse must submit any expenses incurred for themselves to their own group benefit plan (if any) first. The balance that is not paid by their plan (if any) can then be submitted to this plan.

Expenses for Your Child:

- If a Child is covered as a dependent by both you and your Spouse, you should submit their claim to the plan of the parent whose birthday comes first in the year.
- In the event of divorce or separation, the plan of the parent with whom the Child resides (the plan of the parent with custody of the Child) pays first.

Helpful Tip

Waiver of Premium

Purpose of Coverage

If a Member becomes Totally Disabled while their coverage is in force and before reaching age 65, the Member's premiums for certain Insured Benefits will be waived. The Summary of Benefits specifies the benefits to which this waiver of premium applies.

Proof of Total Disability must be submitted to Blue Cross within 12 months of the onset of Total Disability and while Total Disability persists.

Definition of Total Disability

The definition of Total Disability or Totally Disabled is as follows:

- a state of continuous incapacity, resulting from an Illness or Accident, which prevents the Member from performing the regular duties of any occupation for which the Member:
 - would earn 60% or more of the Salary earned by the Member immediately before the date of disability; and
 - is reasonably qualified or may so become by training, education or experience.

The loss of a professional or occupational licence or certification does not, in itself, constitute Total Disability.

The availability of work is not considered when assessing the Member's Total Disability.

Amount of Coverage Provided

The amount of coverage subject to this *Waiver of Premium* provision is the amount of coverage in force on the beginning date of Total Disability.

Date the Waiver of Premium Begins

Premiums will be waived beginning on the first day of the month following the expiry of 6 consecutive months of Total Disability, as defined in this section of the booklet.

Date the Waiver of Premium Ends

Subject to the exceptions outlined below, the waiver of premium terminates on the earliest of the date:

- the waiver of premium period expires, if any, as specified in the Summary of Benefits;
- the Member no longer meets the definition of Total Disability;
- the Member engages in any occupation for remuneration or profit, except for a rehabilitation program pre-approved by Blue Cross;
- the Member fails to submit the required proof of Total Disability;
- the Member reaches age 65;
- the Member would normally retire;
- the Member's employment terminates;
- coverage terminates for the class of Employees to which the Member belongs;
- the benefit or plan terminates; or
- the Member dies.

If, while a Member is Totally Disabled and benefitting from waiver of premium:

- the Member's employment terminates; or
- coverage for their class of Employees or all Employees under this plan terminates;

the waiver of premium is extended beyond the termination date outlined above in accordance with the following:

- member life and member optional life benefit coverage will remain in force and continue to be eligible for waiver of premiums until age 65.

Member Life Benefit

Purpose of Coverage

If the Member dies while covered by this benefit, Blue Cross will pay the Member's beneficiary the amount specified in the Summary of Benefits, subject to the conditions outlined below.

- the Member submits a request to Blue Cross in writing;
- Blue Cross is satisfied, on the basis of medical evidence provided by the Member's attending physician, that the Member is suffering from a condition that is expected to result in the Member's death within 12 months of the date of the request;
- the Member is eligible for waiver of premium; and
- the Member is under age 65.

An advanced payment amount cannot be more than 50% of the member life benefit amount in effect at the time of the request or \$50,000, whichever is less. It will be paid in one lump sum that will be deducted from the member life benefit amount. The remainder of the member life benefit will be paid to the Member's beneficiary on death of the Member.

Members are only eligible for an advance payment once per lifetime.

Member life benefits will be paid to the Member's beneficiary with the exception of an advance payment due to terminal illness that will be paid directly to the Member.

A Member may request a change in the amount of their coverage or their Dependent's coverage under this benefit at any time. Special Authorization

Certain Eligible Drugs require prior or ongoing authorization by Blue Cross to qualify for reimbursement. The criteria to be met for Special Authorization are established by Blue Cross and may include requiring the Participant to participate in a Patient Support Program.

How does the Special Authorization process affect my claim?

The first time you present a prescription for an Eligible Drug on the Special Authorization list your pharmacist will indicate the need for Special Authorization.

You can request a Special Authorization Prescription Drug Form from your pharmacy, your employer, the nearest Blue Cross customer information centre or from our website. You must complete the patient section of the form, have your physician complete and sign the remaining portion and mail your completed form to the nearest Blue Cross office.

Your request will be confidentially reviewed by a health care professional according to the payment criteria established. When all the required information is received by Blue Cross, the standard turn-around time for Special Authorization decisions is 7 to 10 working days.

You will receive confirmation in writing regarding the decision on your Special Authorization request. If your request is approved, this confirmation will include the effective date and duration of your approval.

Any fees associated with completing this form or obtaining additional medical information are your responsibility.

Substitution Provision

If the Summary of Benefits specifies Substitution Provision applies and an Interchangeable Drug has been prescribed, Blue Cross will reimburse to the lowest ingredient cost Interchangeable Drug.

Helpful Tip

Your group benefits plan provides you with immediate access to most Eligible Drugs.

Certain Eligible Drugs require Special Authorization before your prescription is covered.

Helpful Tip

Helpful Tip

A generic drug and its brand name equivalent are considered to be Interchangeable Drugs. Health Canada imposes the same standards and tests on generic drugs as it does on brand name drugs. Generic drugs are effective and safe, while often being less expensive.

Drug Benefit

Participants may request a higher cost Interchangeable Drug; however, they will be responsible for paying the difference in cost between the Interchangeable Drugs.

Regardless of whether the Participant's Physician indicates the prescribed Interchangeable Drug cannot be substituted, Blue Cross will only reimburse to the lowest ingredient cost Interchangeable Drug.

For Participants with an adverse reaction to the Interchangeable Drug dispensed, Blue Cross will consider reimbursement to another Interchangeable Drug on a case by case basis only through the Special Authorization process.

Payment of Claims

How Payments are Made

The Summary of Benefits specifies the Method of Payment that applies to Participants under the group plan.

Reimbursement: The Participant will pay the full cost of the prescription to the Approved Provider at the time of purchase. Blue Cross will reimburse any Eligible Expenses on receipt of proof of payment from the Participant.

Pay Direct: At the time of purchase, the Approved Provider will submit the Participant's claim to Blue Cross electronically to verify eligibility. The Participant will pay the Approved Provider only the portion of the claim that is not covered by this benefit. Blue Cross will reimburse the balance of the claim to the Approved Provider directly.

If the Participant submits to Blue Cross a paid-in-full prescription drug receipt, despite the fact pay direct was offered, Blue Cross will only reimburse the amount that would have been paid to the Approved Provider if the claim had been submitted electronically.

Deferred Payment: At the time of purchase, the Approved Provider submits the Participant's claim to Blue Cross electronically to verify eligibility. The Participant pays the full amount charged by the Approved Provider and Blue Cross will reimburse the portion of the Participant's claim covered by this benefit when a specified dollar amount or a time-period threshold has been reached.

If the Participant submits to Blue Cross a paid-in-full prescription drug receipt, despite the fact pay direct was offered, Blue Cross will reimburse only the amount that would have been reimbursed if the claim had been submitted electronically.

How Payments are Made

The Participant will pay the full cost of any expense to the Approved Provider at the time of purchase. Blue Cross will then reimburse any Eligible Expenses on receipt of proof of payment from the Participant.

Certain Approved Providers may offer a pay direct arrangement. In such circumstances, the Approved Provider will submit the Participant's claim to Blue Cross electronically to verify eligibility at the time of purchase and the Participant will only pay the Approved Provider the portion of the claim that is not covered by this benefit. How Eligible Expenses are Calculated

Reimbursement of an Eligible Expense is calculated as follows:

- Step 3. the Reimbursement Level percentage will be applied to the remainder of the Eligible Expense;

Rights and Responsibilities Under the Plan

What Are My Responsibilities Under the Plan?

Keeping Your Employer Informed

It is your responsibility to provide your employer with a completed and signed application form, including accurate information on your family status, as well as your beneficiary designations. You must complete the group benefits application form within 31 days from the date you become eligible for coverage.

To ensure coverage is kept up-to-date for you and your Dependents, it is important to report any changes to your employer within 31 days of the change. Failure to do so could result in the need for proof of health before your requested change in coverage takes place. Changes that must be reported to your employer include:

- Adding or removing a Dependent
- Status updates of a Dependent student
- Change in marital status
- Change of beneficiary
- Application for benefits previously waived

Beneficiary Designations

Unless otherwise designated, all benefits are payable to you.

Death Benefits

Benefits payable as a result of your death will be paid to your last designated beneficiary or beneficiaries.

Subject to the provisions of the law, the beneficiary is the person you have designated on your group benefits application form. You may change your beneficiary by submitting a signed written declaration to Blue Cross.

If you designate 2 or more beneficiaries (other than alternatively) without any specification as to how the death benefit will be divided, the benefit payable will be divided equally among the designated beneficiaries.

If your beneficiary predeceases you, you must designate a new beneficiary.

If you die and a beneficiary has not been named in writing, the death benefit will be payable to your estate.

Designations made under the Previous Policy

Any beneficiary designation made under your previous group policy with Blue Cross has been carried forward to this group plan. You should review the existing designation to ensure it reflects your current intentions.

Providing Proof of Claim

You must submit your claims for Eligible Expenses within applicable time limitations. Proof of claim must be provided in writing and in a form acceptable by Blue Cross.

Blue Cross must approve your proof of claim and may require you to provide additional information and undergo a medical examination by a physician or Health Practitioner as often as deemed necessary. Blue Cross reserves the right to suspend or deny a claim until you have submitted the additional information requested to process the claim.

Costs associated with providing proof of claim are your responsibility.

Helpful Tip

It is very important to maintain up-to-date beneficiary designations.

When insurance money is paid to the estate, it may be subject to creditor claims and estate taxes.

However, when a beneficiary is named, this person receives the entire benefit tax free, regardless of what debts may be owed by the deceased.

You can change your beneficiary by filling out a beneficiary designation form available through your employer or on our website.

Helpful Tip

Your proof of claim must be submitted in either English or French. If the original proof of claim is in a language other than English or French, you are responsible for any costs associated with translating your proof of claim.

Rights and Responsibilities Under the Plan

Submitting Claims After Your Group Plan Terminates

If this plan has terminated, proof of claim for Insured Benefits must be received by Blue Cross:

- for accidental death and dismemberment benefits or accidental damage to natural teeth, **within 6 months** following the termination date of this group plan; or
- **within 24 months** following the termination date of this group plan for all other Insured Benefits.

Recovering Damages From a Third Party (Subrogation)

If you have the right to file legal action against a third party (individual or corporate body) for a loss relating to any claim submitted under this group benefits plan, Blue Cross is entitled to acquire your rights for recovering damages for any portion of the loss that has been paid by Blue Cross.

You must sign and return the necessary documents to facilitate this process and you must do everything that is required of you to protect your rights to recover damages from the third party.

Reporting Health Insurance Fraud

Health insurance fraud is the intentional act of submitting false, deceiving or misleading information for the purpose of financial gain.

Whether committed on a small or large scale, fraud can lead to significant financial losses to the benefit plan and result in higher premiums and decreased coverage. Blue Cross is committed to protecting the integrity of our benefit programs for our plan sponsors and members by monitoring and resolving any abusive or fraudulent activity.

How You Can Help

As a group plan member, you can help eliminate fraudulent abuse of your plan:

- keep your identification card, plan number, member identification number and related information confidential and secure;
- carefully review your receipts for products and services claimed to ensure:
 - you understand the charges billed; and
 - the charges reflect the services received.

If you are unclear about any of the charges on your receipt, ask your provider to explain the charges to you:

- carefully review your Explanation of Benefits claim statements (EOB) for any discrepancies in services received compared to services claimed;
- never sign a blank claim form;
- from time to time, we send member verification questionnaires to confirm treatments and other related information. If you receive one of these questionnaires, please complete it and return it promptly. These questionnaires are essential to our fraud deterrence efforts.
